

CLINET® 101

Chlorhexidine cleaning wipes

Technical notice N° 2160 A

The finishing touch

HYGIENE

All surfaces and frequently used objects need regular in-depth cleaning. CLINET® 101 disinfecting wipes provide the finishing touch, cleaning and disinfecting at the same time. Give it a wipe, CLINET® takes care of the rest.

EFFICIENCY

The finishing touch is also the touch that finishes bacteria, fungi and viruses, including Herpes, Hepatitis B and HIV 1 (in vitro) virus ; the disinfecting action of CLINET® 101 has been officially tested and certified. CLINET® 101 wipes clean the unseen.

EVERYWHERE

In the laboratory, in the office, at home, CLINET® 101 disinfecting wipes can be used anywhere and everywhere. In their handy dispenser, CLINET® 101 are as easy to use as they are effective : CLINET® 101 wipes guarantee cleanness and cleanliness in a stroke.

EVERYDAY PROTECTION

Good hygiene is a daily battle. CLINET® 101 helps you to protect your environment and yourself. With CLINET® 101 on your side, you know that germs and dust just haven't got a chance !
